

**Remarks**

Applicants thank the Examiner for the telephone interview conducted between the Examiner and the undersigned on November 29, 2006, in which the Examiner suggested amending the claims to remove reference to “surface resistance of less than about 1000 Ohm/in<sup>2</sup>”.

Claim 30 is cancelled without prejudice or disclaimer.

**Additional Amendments to the claims**

Claims 34 and 35 dependent on claim 23 have been amended to correct the preamble. Claim 36 has been amended to define a wound dressing, and correct its dependence on a cancelled base claim. Support for the amendment to claim 36 can be found in the specification at least at page 12, lines 5-21, and from page 16, line 7, until page 23, line 20. No new matter has been added by way of this amendment.

Allowance of claims 15-18, 23, 26-29 and 31-36 is respectfully solicited.

Respectfully submitted,

/Charles Vorndran/
